WHAT IS GERMAN LANGUAGE CAMP?

Der Laden

The camp is an opportunity for an immersion experience in German language. It is designed to be either an introduction to German or to enrich previous knowledge of the language. Campers will experience German in three different class environments reinforced by games, crafts, songs, and food. The theme for camp 2010 is “Our little town” (*Unsere kleine Stadt*) featuring a Farm (*Der Bauernhof*), a Park (*Der Park*) and a Market square (*der Marktplatz*). The camp has been offered annually since 1986 by the Tacoma German Language School, an independent non-profit organization founded in 1970. The school teaches German to children and adults on Saturday mornings in regular fall and spring terms, as well as offering summer evening classes to adults.

WHO MAY ENROLL?

Anyone between the ages of 5 and 12 who is eager to learn may register for camp, but enrollment is limited to twelve children per team or a total enrollment of no more than 36. The School's admission policy is nondiscriminatory with applications accepted in order of receipt. Children aged 4 may be admitted by permission of the director; they must have been previously enrolled in a pre-school and have good attention spans. TGLS fosters a friendly environment based on mutual respect, including respect for others, respect for safety, and respect for materials and property. Enrollment at TGLS presumes the positive behavior of each member of the learning community.
